

Seagull Maritime has successfully launched operations from Mundra Port

Dear Sir(s),

It is our pleasure to announce that we have completed four months of successful operations from Mundra port and in a short span of these many months, we have handled more than 4,000 containers . Apart from rice which happens to be the forte of Seagull, we have also handled Aluminium coils and composite panels,sugar,stone and DOC (De Oiled cakes) from Mundra port. We take pride that in a short span of time,we have handled cargo at Mundra of more than 40 customers based mostly from Northern India region like Delhi NCR and Karnal.

Below are the key highlights of our Mundra operations :

- a.** Best in the class freight rates from all the major shipping lines , both MLOs and NVOCC operators .
- b.** Working for all the major sectors for Europe, Middle East, Gulf , Upper Gulf and Africa.
- c.** Exclusive tie up with four major CFSs in Mundra i.e. MICT , All Cargo , Saurashtra and Ashutosh CFS.
- d.** Cargo handled by CHAs having extensive experience in handling rice and other commodities.
- e.** Dedicated warehouse/storage space for major customers with 30 days of free time with clean and secured storage .
- f.** Dedicated trucking services from Delhi , NCR and Karnal region in normal trucks with 23 tons , 25tons , 28 tons and 32 tons at the market rates .
- g.** Premium containerised transport service perfectly suitable for box cargo of rice, by Maple Logistics (our in house transportation unit), reach Mundra from Delhi NCR & Karnal region within 3 days. All trucks are fitted with GPRS for enhanced security.
- h.** Own branches at Gandhidham and at Mundra port with experienced operations staff and field staff to handle the cargo 24x7 .

Some of our special services features for our customers:

- a. Express stuffing of cargo enables us to load the cargo on first available vessel from both AMCT and MICT terminals .
- b. Special facilities for loose rice stuffing for Europe shipments .
- c. Delivery of B/L and other docs by express courier services for next day arrival at Delhi/NCR .
- d. Step by step update/status of cargo by mailing pictures for each activity of loading, unloading and stuffing .
- e. Daily DSR (Daily status report) on mails to customers informing them of the cargo status including a separate trucking MIS informing them of their positioning of trucks on daily basis.
- f. Additional facilities like Polythene sheets,stack fumigation,craft paper,silica gel and palletisation and all kinds of customised packing , repacking/stitching facility are provided .
- g. Dedicated customer care services to help customers with their queries / updates.
